Alienation - S. No. 94/1C - Mulur village in Mangalore Taluk - in favour of - M. R. Ry. Ganapathy Prabhu, Gurpur, for use as a cremation ground.

M. R. Ry. Gurpur Ganapathy Prabhu applied for permission to construct a building on the plot which is now used as a --- cremation ground for the use of the persons who carry dead --- bodies to the place for cremation. The plot is a portion of river bank registered as river poramboke, and measures 15 cents in extent. The case being governed by B. S. O. 24, the applicant was asked whether he was willing to abide by the conditions -- laid down in paragraph 12 of the Board's Standing Order,, and - he is willing. He is also willing to construct the building within one year from the date of the grant and to pay the --- value of two banyan trees standing on the plot. It is ------ reported that there is no objection to the alienation of the land in favour of the petitioner. I therefore recommend that the alienation of the plot may be sanctioned free of charge -- for the occupancy right, and also free of assessment, but subject to payment of seigniorage (value of?) Rs. 4/- for the two banyan trees.
